CAROLINE

"My boyfriend says he likes my figure because there's plenty to grab on to," grins Suffolk girl Caroline (22). "I think he likes me because there's enough for all his mates to grab on to at the same time! We're a very liberal couple and don't have any hang-ups about sex. Why should we? We both enjoy it so we do it with other people too when the mood takes us. We tell each other everything and usually have a great shag after we've confessed to each other!"

Slit stop

At four a.m I was cruising up the M1 in my lorry with my girlfriend Syren next to me in crotchless panties, fingering her all the way.

**SYREN,
ESSEX**

She rubbed the front of my trousers, then pulled down my fly and massaged my cock until I was hard in her palm.

I was finding it harder and harder to concentrate on the road, so I started looking out

for a lay-by to pull into and came

across a Little Chef after a few more minutes.

I climbed over the gear stick to get to my gorgeous Syren.

I pushed her legs back so that her ankles warmed her ears and teased my tongue along her silky smooth slot.

Syren released her tits and began to play with them as I licked her deeper, then I crawled up her body so that my cock

pressed against her bald cunt. She took me in her hand and tugged on me until I was almost pumping with pleasure, then she slipped me up inside her.

Her cunt was wonderfully wet and I fucked her with hard urgent thrusts. Syren whispered filthy suggestions into my ear, turning me on like crazy, and before long I was squirting into her depths.

She mashed her cunt against me as I came, and my cream dribbled over her arsehole and coated my balls.

She likes me to play with her clit while I'm inside her, so I used my thumb on her swollen dot and made her climax before reluctantly pulling out and getting on with our journey.

We made a few more pit-stops along the way – it's a wonder we ever got there!

Don, Ilford.

Choc tactics

When I came home from work I was surprised to see the pair of panties that my wife Kelly had been wearing when I left for work that morning hanging on the handle of our front door.

I picked them up and sniffed them and could smell her sweet aroma on them. Pinned to the door was a message that just said "sun lounge" so I wandered on through to see what was going on.

I was greeted by the sight

of my gorgeous wife, lying on the settee in the sun lounge with her cream coloured silky nightie pulled up slightly to expose her cream panties and black stockings.

Kelly instructed me to sit down in the chair opposite and relax, telling me I could watch but wasn't allowed to touch until she said so.

She popped her lovely 36D tits out of the top of her nightie and gently teased her nipples with one hand

and she slowly stroked her gorgeous hairy pussy through the soft material of her panties.

I could feel myself getting hard as she slid her panties down, exposing her round arse to me and playing with her pussy.

Then from the table beside the sofa she produced a chocolate bar that she slowly unwrapped and started to lick and suck in a deliberately sexy way before she smeared the chocolate over each nipple before scooping each breast up in turn and licking the chocolate off.

I was watching and wondering how far this show would go before I got to join in, and my cock twitched hard as she then picked up the

chocolate bar again and slid it toward her pussy. I could see the chocolate smearing all over her cunt lips when she suddenly slipped most of the bar straight into her cunt and started to push it in and out.

I watched, amazed as she then pushed first two then three fingers into her cunt and frigged herself, before circling her clit with her soggy chocolate fingers. I could see that she was close to cumming and she pulled hard on her nipples and started to press her fingers deeper into her vagina.

When she let out a soft whimper and squeezed her legs tight together I could see the look of pleasure on her face as she gave herself a great orgasm.

I slowly unzipped my trousers and pulled my hard cock free as she opened her eyes and slowly spread her legs wide so that I could see the chocolate and her juices slowly dribble from her chocolate covered cunt.

I happily knelt in front of her gaping cunt and licked as much chocolate from her pussy as I could, I paid a lot of attention to her clit and the inside of her vagina

from her gaping pussy.

After a few minutes the chocolate bar was removed and she unwrapped an even bigger one. This time I could see it was a large Kit-Kat bar and it went in smoothly to her already chocolate filled cunt.

When she pulled the bar from her pussy and put it back on the table I thought my time had come and went to stand up. But she had other

and it didn't take long before she pushed hard against my face and came again.

Then she rubbed the remaining chocolate over my cock and balls before sucking every last bit off, expertly rolling her tongue round the head of my penis.

When I said I was about to cum, she let my hot spunk splash on her face and tits before taking my cock and catching the last drops of cum on the Kit-Kat to eat.

London - there's something for everyone to hate. Dawdling tourists, bearded hipsters, depraved oil sheikhs, graceless oligarchs, Boris Johnson. Making a spectacle

Dear Julia

I must be the last man on the planet not to have access to the internet (and not want to!) and I prefer to see my naked ladies on paper! Your centrefold model Julia in vol 35 no 6 makes me realise that print is still best. You can get birds fucking dwarves and taking dumps on each other on the internet, but it's hard to find classic girls next door simply nude and spreading their lips for the reader. Ronnie, Nottingham.

Julia says: Fellow Luddite, hope you enjoy the Nuddites in this issue too!

Dear Julia

At the sex parties my wife Jo and I attend, I'm always hopeful of coming across my three favourite

types of wanton sluts: a red head, a blonde and a buxom babe. So the sight of Candy, Pammy and Jem in vol 35 no 5 had my cock stirring and my missus' pussy juicing. If only that trio of gorgeous arses were stacked up in front of me I'd pound those sopping cunts one after the other and have them cumming buckets. Jo would lick my length and balls and tongue-fuck their tight little arseholes. They have got us looking forward to our next orgy more than ever! Swinger Steve, Halifax.

Dear Julia

I'm a massive fan of the thatched snatch! In many recent issues there's been a big return. In vol 35 no 5 star thatch prize goes to lovely star wife Jenny of Cambridge. She can potter around in my shed any time she wants too – I'd love to spray her tits with my spunk! Paul, S. Wales.

ROXY

I

DRILLED THE BUILDER!

Roxy's relationship with her current boyfriend was built on solid foundations – that is, she met and fucked him for the first time in this new build. Meantime, his workmates made tea and talked about how fit she was instead of actually trying it on. "Isn't that always the case with workmen? They wolf whistle, then you go up to them and they act all scared. Not my fella though!"

REAL WIFE SEX

Zoe, Brighton

New neighbour
Zoe has a box
she needs
humping
upstairs...

My brother James and I share a flat in a really cool block in Brighton. Because it's a friendly place – and because we were brought up to be polite and helpful – we offered to give our new neighbour, Zoe, a hand moving her stuff

in when we bumped into her as unloaded her car. The fact she was a gorgeous blonde with a killer figure was just a happy coincidence!

After a load of humping – as in her belongings up the stairs – we asked her in for a coffee. She told us she'd just bought the place, with money earned as a lap-dancer in London and Brighton. I got a hard-on that was threatening to punch its way out of my jeans when she went into detail, and James said maybe we should come and watch her dance sometime.

I wasn't sure she wanted to hear that from her new neighbours – if you strip off

for a living, I'd imagine you don't want the blokes next door perving over you when you're off duty! But it seemed to spark an idea in her head, and she said she "owed us one" for helping her.

She didn't owe us a thing, but we didn't stop her putting on some music, and dancing seductively in what I'd call a "cocksucker-red" dress – on top of everything else, I had fond memories of an ex going down on me in lipstick the same shade, so my dick didn't have a hope when Zoe got going.

She didn't wear it for long, peeling it off to reveal black lacy underwear.

Did the earth

She had the moves, the tits and arse wagging in our faces, but there was one big difference. In the clubs, it tends to be look but don't touch. Here, she was on her knees, nuzzling James's crotch, then slowly undoing his jeans with long-nailed fingers.

The next song started playing – a favourite of mine, which I took as a sign to join in. She was gobbling James now, bobbing her head over his prick, and he kindly brushed her long hair sideways so I could see his cock going in and out of her mouth. Then I nipped in behind her, and fondled her arse, moving my fingers to her crack as she moaned encouragement.

Suddenly, she got to her feet, turned round and did a lap-dance wiggle over James's crotch, before straddling him on her haunches. She literally didn't miss a beat, kept moving like the

dancer she was, and turned her attention to sucking my cock now.

James was grabbing her tits as she gyrated on his prick, then he groaned, "Fuck, where did you learn to do that?" Next thing I knew he'd totally lost it, fucking her in a frenzy until he came, making her squeal as he groped her tits hard.

I almost felt nervous about taking my turn now! But the big, stupid grin on my brother's face was a good sign. I mouthed "What did she do?" and he just smirked and said, "Wait and see."

She had me sitting on a kitchen chair, and after some more dancing, sat astride me face to face. She mashed herself against my erection for a bit, then reached down and slipped it in. She obviously liked a bit of tit-play, so I cupped them and licked her nipples and flicked them, before taking one into my mouth and sucking on it hard.

I felt her pussy go into spasm, like a

move for you?

The image features a woman with short brown hair and blue eyes, smiling at the camera. She is wearing a shiny, silver, bubble-like bodysuit with a zipper down the front. She is sitting on a blue surface with white stars. In the background, there are stylized rocket ships and a blue sky with stars. A smaller inset photo shows the same woman in a similar pose, wearing the same silver bodysuit and a black bikini bottom. The overall theme is space and glamour.

FLOUTER SPACE!

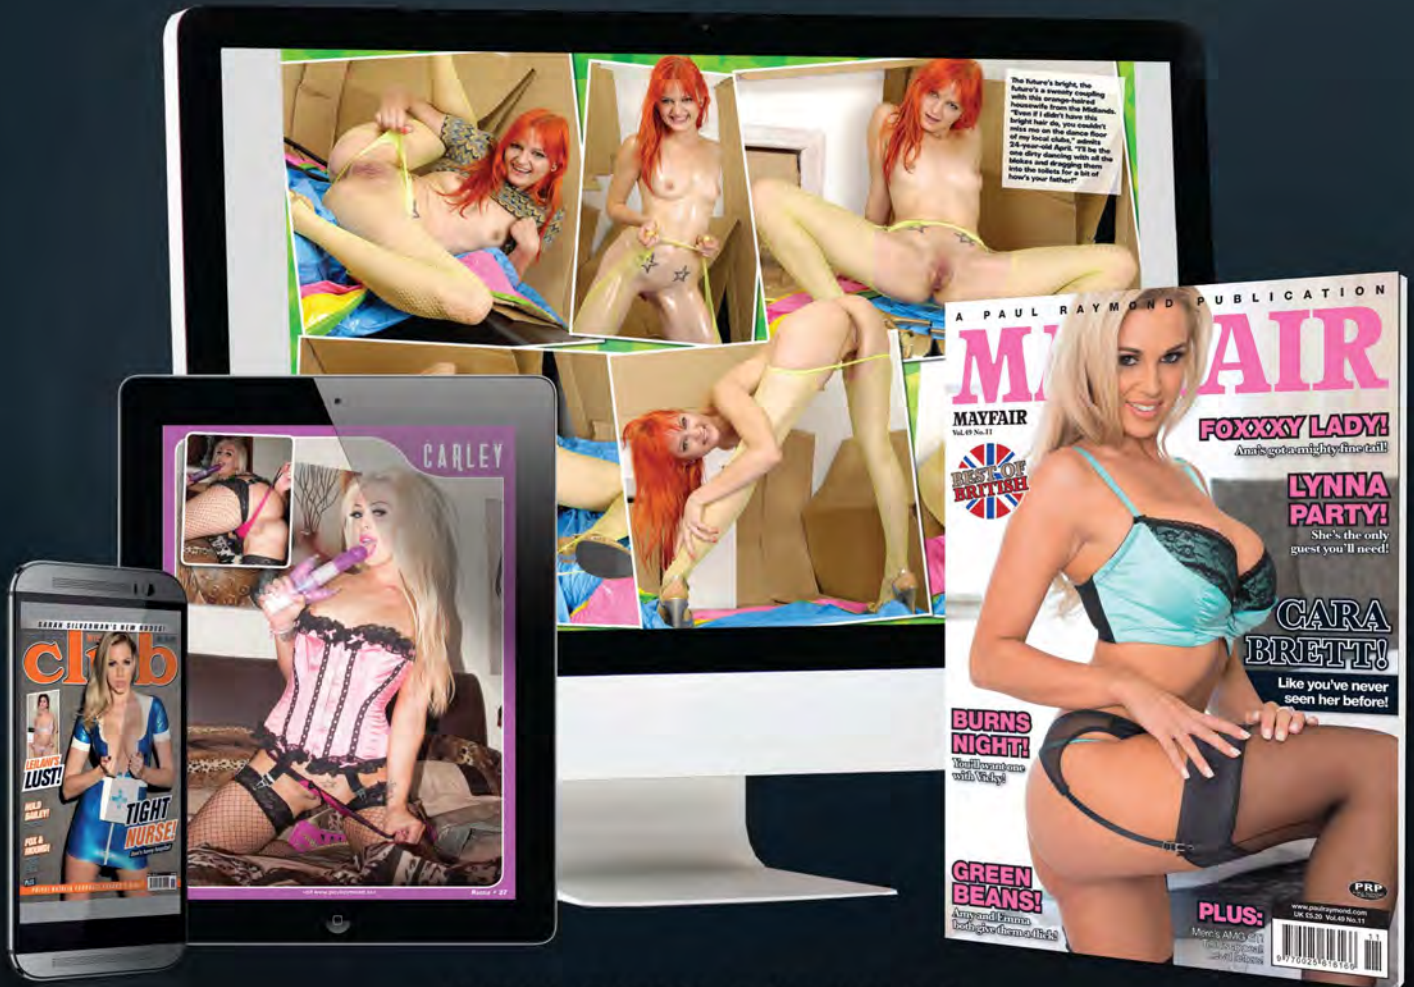

The fever pitch surrounding the new Star Wars movie *The Force Awakens* is nothing surrounding what the Escort office felt when we heard that Teri was coming in. I'm not saying we queued outside the studios all night dressed as Yoda or anything (we may look at naked women all day but we're not complete saddos) but we definitely had light sabre-sized cocks tucked into our waistbands. This is Teri, a very hot 24-year-old from Horsham whose presence we've been wanting to feel since a long time ago. "More like I can't wait to get my hands on you! For two weeks a year the British public gawps at the spectacle of toff heaven at Wimbledon. We're not much for tennis, or royal weddings, but it's a tradition ain't it, so we'll be watching, if only to see if Cliff Richard has the balls to turn up and try and lead the crowd in song this year. Gym'll fix it

I was at the gym as usual on Sunday after my regular boozy Saturday night.

It's normally very quiet, but this Sunday I noticed a couple of muscular army guys going through their paces

After being in the sauna for a few moments I heard the door open and felt a body sitting down on each side of me. I opened my eyes to see the two army guys naked and their cocks already

standing to attention.

I instinctively reached out, taking a cock in each hand, and started to wank them. They were already leaking pre-cum as I reached down to take the cock on the left

hand and started playing with my clit and pussy hole.

I just loved the feeling of having a cock in my mouth, a cock up my arse and a finger in my pussy.

Within seconds I came with a shudder that shook my whole body and my throat was filled with salty cum.

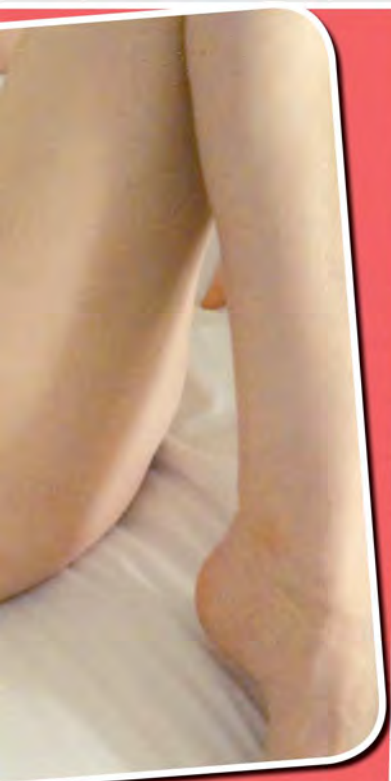

No sooner had I swallowed one lot of cum, I could feel a shot of creamy hot seed explode in my arse.

The two army guys got up and left me a quivering wreck, a mouth and arse full of cum.

That was three weeks ago and I haven't seen them since but the gym owner has been eyeing me up knowingly!

Her underwear is mismatching, but when we have an editor who frequently appears from the boardroom with her knickers over her jeans, we can forgive her these small lapses. And if her smalls don't match, her bigs certainly do – was there ever a cleavage that advertised its lovely symmetry with such healthy, plump adorability? "I got dressed in a hurry for this shoot," pants a still out-of-breath Brook (or perhaps our charms are working). Confessions of a

SEX ADDICT

**I'M A
CELEBRITY:
GET ME
INTO THERE!**

Soap actors, MPs, sports stars and movie idols have all availed themselves of top notch UK escort Tiffany Snow's services. She tells us if their tastes are as outlandish as the tabloids would have us believe...

inhale the manly smell of dick that just drives me wild.

It wasn't long before my technique paid off and I felt him cumming hard in my mouth as I expertly milked his balls and shaft. He was as impressed with my performance on his dick as I was with his on the decks!

Back in the VIP room, he was sitting with his girlfriend, all smiles. I joined them at their table and when I politely kissed her on her cheek, I smiled inwardly at the naughty thought that her boyfriend's cum taste was still on my breath.

Since then I have had various sexual encounters with well known people in the worlds of TV, film,

I remember the first time I fucked someone famous – he was an international DJ and I was in the VIP

area drinking with him after he'd finished an amazing headline set.

I wandered off to the bathroom and as I was about to close the door, he pushed in behind me. He'd told me he'd been checking me out all night and really wanted me. I'm not that impressed by fame but do like interesting sexcapades.

So I took out his impressively large cock, sat on the toilet seat and gave him one of my expert blowjobs which I genuinely love giving.

I took his dick deep in my throat and gagged on it, causing saliva to run down his rock hard shaft. Then I wiped it all over my face, taking the time to deeply

music, sports and politics.

My theory is that in order to become successful you need to have a lot of self-confidence and therefore

celebrities also feel they are entitled to have more than just the sex from their partners.

Guys often ask me why I blur my face out on my photos, and it's partly for my own privacy but also to reassure guys who come to see me that I value their privacy too. I won't kiss and tell though I have plenty of naughty and interesting stories.

My friend was once paid £10,000 to fly out to America to have sex with a Hollywood celeb. He was in court as a witness at the trial of a Hollywood madam. The judge asked him why someone as handsome and famous as him

are basically the same when it comes down to sex.

I remember sitting in an after-party recently with a soap actor who casually

Three of us straddled naked across him, one on his face, one on his chest, one on his dick

would pay for sex with women.

He replied he didn't pay for the sex, he paid for them to leave afterwards.

It's that need for convenience and discretion that makes the rich and famous prefer escorts over fans or groupies. I think the other reason escorts

whispered in my ear that he could have any girl in this room but had chosen me. I almost spat my drink out with laughter at that cheesy line.

I think I had the last laugh though as my female friend who was with me had him confused with another actor from the same show and kept doing this other guy's well known catchphrase all night long. I could see it was really getting on his nerves but she was too drunk to realise he wasn't that particular actor.

Last summer we had a guy come to see us who has starred

in three of the top 100 UK movies of all time according to a film magazine. He was a friend of my friend and so she got him to come over and we made some sex videos with him, me and two female friends.

The funny thing was he was so much more in awe of us and the sex he was getting than we were of his fame. We showed him the time of his life. At one point all three of us were straddled naked across him, one on his face, one on chest and one of his dick. We all did 'choo-choo' sex train impressions – it was hilarious! We really rocked his world with three-girl blowjobs, expert deep-throat and having sex with each of us whilst deeply kissing the other two girls. It wasn't long before he shot his load over all three of our faces as we

waited on our knees open-mouthed, greedily craving his load. I still laugh when ever I see him on TV now.

I think people imagine celebs are getting endless amounts of sex but they are so under the spotlight and often need to maintain a 'good guy' image that they don't get as many opportunities as you'd think to go really crazy. So when they do have a threesome or foursome with me and some hot friends it's them that are blown away.

I feel I have become one of the most popular escorts in the UK by making everyone I see feel like they are special and giving them the best possible sexual experience. I love to please and really know how to suck and fuck a guy to his most intense-ever orgasm, and in that respect I have become a bit of a celeb myself in the adult sexual services scene.

So next time you see some celeb on TV and ask yourself if he'd say no to sex with a tight little pussy, remember that when it comes to sex famous guys have just as much control as any other man – none!

Jenny Agutter, Kate Winslet, Gemma Arterton – aaah, who doesn't love an English rose? And though this remarkable example of the species here might not be gliding through cocktail parties in Hollywood, she's no different. An English rose should be perfectly natural – and these corking great F-cups weren't levered into her chest cavity by some Armani-suited surgeon on Harley Street. They're all real. Secondly, they should be sweet-natured. And we never heard a word said against us from this Cornish cutie when we made her take her clothes off umpteen times in our freezing studio, pretending the lens cap had been on in that last shoot.

Gusset girl

My girlfriend Jenna works away from home a lot, and how much I miss her juicy little cunt and the way she sucks and fucks me. Still, absence makes my cock grow harder, and after a week or so of wanking over the thought of her, I can't wait to get stuck into the real thing.

One of the horny tastes we share is for sexy undies. She'll often come back home after a trip with some new lingerie.

Recently, I beat her to it. Knowing she'd be away from me for almost a fortnight, I

against her pussy. In fact, she refused to take them off again until I'd brought her off through them. I gave her a good licking through them, my cock throbbing as I saw the way the wet silk clung to the contours of her snatch.

"Stop looking, start licking," she said, and so I tongued her again, this time until she was thrashing around on the bed, cumming her brains out. Seeing her this turned-on meant I couldn't wait any longer to fuck her, and she noticed that too. Still sweating from her orgasm, she

down, then arranged them over my face so I could take in the scent of her juiced-up pussy. I shut my eyes and breathed it in, groaning again as I felt her sink down on my prick, feeding it up her tight snatch as she sat over my crotch.

We had the most incredible long, slow fuck, Jen grinding around, my cock down to the hilt inside her, and I was still sniffing Jen's panties as I pumped my load up her tight snatch. "Maybe I should leave these

with you while I'm away," she said, rubbing them all over my face.

The next night, I lay in bed on my own, Jen's gusset pressed up against my nose again as I wanked off. Even

and chest.

Next morning, I wrapped them up and sent them to Jen's hotel by courier, with a note saying, "Here's how much I'm missing you."

I SCOOPED THE SPUNKY JUICES OUT OF HER PULSING CUNT

bought her the sexiest bra and panties set I could find. I gave them to her the night before she was due to leave and she insisted on trying them on right away.

They looked like they'd been made to measure, and she said they felt incredible, all slippery and smooth

got on top of me and rubbed her cunt up and down against my shaft, working the warm, moist silk against my skin until I was right on the point of cumming. Then she stood up, still straddling my body, and peeled her knickers off.

She waved them teasingly in the air as she squatted

dry they smelled strongly of her fuck-juices. With my mind running to the horny night we'd had before, it only took me a couple of minutes to bring myself to the most mindblowing cum, and when I could think straight again, I used the panties to mop all the spunk up off of my belly

Like I'd said, I thought she'd be away for a fortnight, so imagine how I felt coming home from work the next day to find the dirty little tart lying stark naked in our hallway, with her legs spread. We fucked in every position we could think of, before she had to leave again, one day late!

Simon, Birmingham.

"There's not much room for manoeuvre in the back of this thing, especially with these big boys!" chuckles Lottie. "But I make do. I still live with my parents so where else am I supposed to have my fun? I'm so used to having sex in this car the glovebox contains condoms, water and an alarm clock!" Lottie only passed her test a few months ago. "I barely drive it! I'm too busy going out drinking and partying. I call it my hotel on wheels but it sits round the corner from my parents' house! This car has seen some action. I woke the street honking on the horn once while I was getting rogered silly!"

and have been reading *Escort* as long as we've been together. We always wondered if the letters were real and if the contact wives were genuine. It was in November 2014's *Escort* that I first saw Molly appear looking for like-minded couples to take photos and watch her get fucked.

Molly is a big boobed MILF with curves in all the right places and of course older than me, which is one of my fantasies. Ellie knows this and caught me looking at Molly's pics lets say more than once.

I was unaware that Ellie had written to Molly asking if she'd like to do some posing for me and have some fun as a surprise present.

and killer heels on. I quickly got a massive hard-on while reading the short sweet letter asking if we were still interested in a photo shoot. Of course we wrote back exchanging phone numbers and we arranged to meet for a drink and take it from there.

Carl and Molly booked

the door was open. By this point my cock felt like it was about to blow a hole in my jeans.

We entered the room and found my the girls in some very horny black

DOUBLE D

Dear *Escort*,

We thought we'd write in and tell you about our first ever contact with another couple.

It was with one of your readers' wives Molly and her fella Carl from Yorkshire. Myself (Dave) and my girlfriend Ellie have been together for 12 years now

Then one day Ellie sent me a text message while I was at work saying there was a surprise for me when I got home and I spent all day wondering what it could be.

When I got home Ellie handed me an envelope and said 'You'll like this!' With a smile I quickly opened it. I was greeted by a picture of Molly sitting in a chair with her huge boobs hanging out

us into a hotel and the night before Ellie packed a bag of underwear and a camera. The next day we were both excited and Ellie couldn't stop playing with my cock the whole way up the motorway.

Once we had checked in, we had a couple of drinks with Molly and Carl. After a few, Ellie and Molly went up to the room while Carl and I stayed at the bar.

About half an hour later Ellie texted me telling me to come to the room as there was something we'd both want to see.

Carl and I both practically skipped out of the bar and when we got to the room

body stockings.

The girls agreed to do a photo shoot for us and wasted no time in starting posing. Carl and I couldn't get to our cameras fast enough.

The girls were

two. As I passed Ellie her drink she grabbed my cock and gave it a good squeeze. I looked over at Molly who was doing the same to Carl.

We started shooting again and this time they started sensually playing with each other's boobs.

Molly put Ellie's nipple in her

mouth and had a good suck and bite for the camera. They gave each other's arses

a good squeeze and pulled their cheeks apart so we had an amazing view of their shaved pussies to snap.

We finished the evening off with some shower scenes and then all went off to the bar after to chat and laugh about our amazing experience. We all enjoyed it so much we're already talking about our next outing and maybe this time us boys will get some boobs and bum to play with. Or maybe more!

Dave and Ellie, Yorks.

really enjoying themselves and after 45 minutes sent us off to get some drinks. On our return they had both changed into sexy red body stockings ready for round

reflex action to my sucking. It felt good around my dick, tighter than average.

Then, as we fucked deep and slow, she started rippling her muscles. It's hard to explain, maybe like a wet fist closing around your prick then moving like it's giving you a handjob, trying to jerk all of

the spunk out of your balls.

"Don't fight it," she whispered in my ear. I glanced at James and he smirked again, knowing how it felt.

Now she was leaning back, so limber that her long hair was brushing the floor behind her, and her clit was tight up against my crotch. Still she kept on gripping me, and as I started cumming, she suddenly sat bolt upright, a look of total pleasure on her face as she

began to orgasm too.

The music still had about a minute to go, and so she pulled off me and rubbed her oozing hole against my belly, painting streaks of juice on my skin. Then she squatted down over the floor and played with herself, cumming hard almost instantly, her body convulsing wildly.

She fucked us all sorts of ways before heading off for her first-ever night at her new place. And we were both finding it hard to believe what had just happened.

All we'd done was shift a couple of dozen boxes for her. "Good to get in with the neighbours," she teased us, before giving us one final snog goodnight. I won't argue with that – and we got in pretty deep! Gordon, Brighton. 6

We can't believe there are still people on public transport using those white iPod headphones that leak out every noise they're listening to. Lucy's got the right idea with her industrial-strength cans, although it's her pussy juice that tends to leak out on the train or bus. "I get so hot and horny when I'm crushed against all those bodies in the morning. Everytime the driver brakes, I want to reach out and grab a cock!"

Smoke in your flies

You got a light?" said Karen. We're both clerks and the only smokers in the deserted car park at the back of work.

I bowed my head so she could touch the tip of her cigarette to mine. She looked straight at me, and blew a stream of smoke right in my face.

"You fucking little..." I thought, but I could already feel my prick hardening in my pants. And it got even harder when I caught sight of the butt of her cigarette, which was ringed with the pink lipstick she was wearing. I suddenly got this vision of her sucking my cock, smearing it all up and

down its length with the same goo.

I moved in to snog her but she pulled away, though she carried on wanking me. I slipped a hand up her short skirt and inside her knickers. As my fingers found her slit and pressed against her clitoris, she started bucking

smokes with some of the girls I've shagged, and I've been turned on watching them and others, but this was new for me – messing around with a girl who actually smoked while I was fingering her!

She smoked that first cigarette right down to the

shocked, I rolled over so I was on my side with my back to the two of them.

I tried to go back to sleep, but they were hard at it by now. I felt my pussy starting to juice up.

The rocking of the bed, and the wet slaps and slurps as Tony's dick slid in and out of Gina's soaking pussy soon had me sneaking a couple of fingers into my cunt.

As I humped my own hand, I suddenly felt Gina run a finger

home when I've sobered up tomorrow morning." It had been a great party. Other people were staying over and had bagsied the sofas, but Tony's girlfriend Gina said I could share their double bed.

Nothing happened until the following morning, when I woke to find Tony and Gina having a sneaky shag. He was "spooning" her – fucking her from behind as they both lay on their sides. Slightly

down my back. I thought it was an accident, but then she did it again, then flung an arm around my waist, and started to stroke her way up to my boobs, feeling them up through my top. "Okay?" she said, and kissed the back of my neck.

"Finger me," I whispered and took over playing with my own tits as she obliged me. Tony fucked her slowly and rhythmically, his thrusts

forcing her fingers in and out of my pussy. Then, without any warning, he sped up, slamming his hips against her arse as his climax built, then shuddering as he unloaded.

"Our turn to cum now," said Gina to me, and we moved into a sixty-nine. She was on

top, straddling my face, and as I started eating her pussy, spunk and juices gushed into my mouth.

I'd never gone down on another woman before, but Gina was so orgasmic that all I had to do was ram my tongue into her hole and let

reached down with her free hand and guided my cock towards her naked pussy. As my tip nudged up against her opening, I dropped my lighter

onto mine. Her snatch felt warm, wet and incredibly tight as my shaft inched up it.

As I screwed her up against the door, thrusting in so deep I felt the juices spurt out of

her pussy, I watched her smoke. At last, as Karen's cunt tensed up around my shaft, I saw her take four or five sharp draws on her cigarette. Then, as her pussy walls rippled in orgasm, she blew out a long, white stream of smoke. I could sense her total release. She threw down what was left of the cigarette and went down on me, smacking her lips as she tasted her own juices. She licked over every inch of my cock and balls, smearing them with her pink lip gloss. My spunk exploded all over her tongue and then we shared another sensual post-fuck smoke.

her grind herself against it. She came so hard she was in no fit state to bring me off, but Tony was ready to take over.

Gina didn't seem to mind

that her bloke was about to fuck another girl in front of her, and his hard-on looked too good to waste.

I lay back, and spread my legs wide so he could get in between my thighs. Then I guided his prick into my wet and open hole.

Once inside me, he started thrusting in and out, and Gina lay, her head propped

it, an intense orgasm tore through my body.

That was enough to set Tony off cumming and as his warm, thick spunk pulsed out into my pussy, another orgasm rippled through me.

As promised, Tony drove me home later that morning – of course, I gave him a thank-you fuck!

Little scrubber

Stuck at home cleaning (and wanking) all day I was dying for a shag, but my boyfriend, when he came home from work, seemed to be hell-bent on making me wait.

"I'm

starving," he said. "But I think I'll have a shower before I eat."

I started getting his food ready as he went up to the bathroom, only to hear him call to me. "Thought you were cleaning this bath – the plughole's blocked," he said. Cheeky twat, I thought, but

out then grabbed a tube of lubricant, squirting half of it up my arsehole and slathering a big handful over his shaft. I was buzzing, aching for him to slip me his cock.

"Please..." I said and then I squealed with pleasure as, without any warning, he slid

his prick smoothly up my bum.

I ground against him, pushing back hard and holding his prick as tight and deep inside my bum as

I FELT THE HOT BLAST OF HIS SPUNK IN MY ARSE

bent over for a look anyway – exactly what he'd wanted me to do.

"I hope your pussy's aching as much as my balls are," he said. Then he slipped a couple of fingers up my slit. He must have felt how tight and wet I was, all swollen up from frigging myself.

He slipped a couple of fingers inside my cunt, which instantly spasmed around

I could while his hairy crotch rubbed up against my ring.

I moaned out loud again and reached down to finger my clit, but Gavin slid his hand under mine, cupping my mound so I couldn't touch myself.

"I'm cumming first," he breathed into my ear, and as he said it I felt the first hot blast of his spunk in the depths of my arsehole.

Just as he shot his final

them, then he pulled them back out and eased them, wet and lubricated with my fuck-juices, right down to the knuckle in my arsehole.

He pumped them in and

load, he started to frig my clit like mad, bringing me to an instant orgasm, my arse clamped hard around his shaft.
